

# Clark County Green Party

## It's Coming...

Where will you be when the **Green Wave** sweeps over Clark County? Make your voice heard, and make Nevada clean!

## The Lean, Clean, Green Party!

Your Clark County Green Party is working to clean up our air and water, to weed out government corruption, give power back to the people, keep out nuclear waste, and preserve our native wildlife. We do not accept donations from corporate or special interests - only our great constituents. The Green Party is the clean party. The Green Party is your party.

## ...It's Already Here

In Nevada, the Green Party is growing faster than both the Democrat and Republican Parties. There is an alternative! Support the Clark County Green Party, and give yourself a voice!
